To whom it may concern,

Conbraco Industries, Inc., confirms that **Shanghai Shiliang Flow Solution Co., Ltd** is our authorized distributor for supply of Apollo Valves and Fittings in China. This agreement allows them to sell and solicit orders on behalf of Conbraco Industries Inc. They are required to be fully trained and certified in any field of installation support and liaising to handle any defective product or warranty issues. This authorization letter of distribution valid from November 1, 2020 to October 31, 2022. Each party has the right to cancel this agreement upon 30 days notification in writing and Conbraco Industries Inc., has the right to extend the agreement beyond after it has expired.

Shanghai Shiliang Flow Solution Co., Ltd agrees not to engage/promote products that directly compete with Apollo product lines and confirms to do its best of its ability to promote and stock Apollo valves, fittings and other Conbraco Industries Inc., products so as in supporting their customers.

Conbraco Industries, Inc. (Apollo Valves) will provide sales, technical, and marketing support for **Shanghai Shiliang Flow Solution Co., Ltd** including visits and presentations in key markets in China.

Please do not hesitate to contact me for any question or concern you may have regarding this representation.

Best Regards
